Delivery Method

Cream & Gel

Revive™ is handcrafted based on the centuries-old ancient doctrine of 痹证 bi zhèng, or obstruction. Suitable for any skin type, even the most sensitive. It quickly works to promote blood circulation. Revive's unique formulation allows it to work quickly, in as little as a minute. It has been found to work on all types of symptoms including headache, joint pain, neck pain, bruises, bone bruises, ligament damage, contusions, and more.

Main Actions
